

Welcome to the world of Hyway:

At Hyway we understand the need of loading/unloading equipment from small to big. This product brochure covers the smaller application.

A phone call is all that it is needed for any advice on any application. Get in touch with us today!

You can trust Hyway.

Designed and manufactured in NZ for New Zealanders.

- All Hyway Ramps are manufactured using high tensile aluminium for strength, durability and light-weight easy handling.

GUARANTEE:

Hyway Manufacturing guarantees its products against manufacturing defects or faults. Should any failure occur, Hyway Manufacturing will see that repairs are made, or replacements supplied, provided that it is satisfied that the ramps were not subject to use outside the recommended guidelines. This guarantee is valid for 24 months from date of manufacture and does not cover general wear and tear.

Quality

Consistency

Safety

Whether you are farming, a contractor, into motorcross or a recreational rider, Hyway Ramps are the No.1.

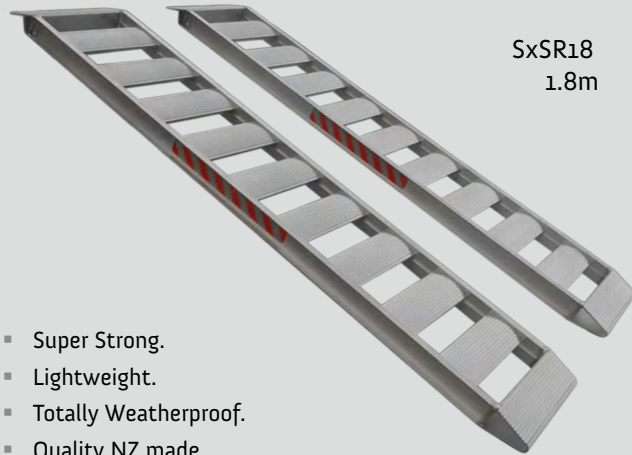

Hyway Ramps are manufactured to meet stringent standards of strength and quality. Close co-operation is maintained with operators and new applications are developed and tested in house.

Hyway is the chosen ramp supplier to the major motorcycle and ride-on mower shops. All Hyway Ramps are manufactured in Aluminium for strength, durability and easy light-weight handling.
