

WIDE-TRACK SERIES

6T RAMPS AT 3.6M LONG

OVERVIEW

Our 6T Wide Track models are still available to purchase, based on our previous specifications and now included under the Custom Ramps range.

These ramps remain a strong and reliable option for loading larger excavators, skid steers, and tractors, offering the same trusted balance of strength, safety, and ease of use.

As part of our **Custom Ramps** range, these are manufactured to order. Please enquire directly for current lead times. Payment is required prior to manufacture.
